Everest

Ford Service

Don’t worry about service. That’s our job.

7 year warranty[1]

Exclusively service your vehicle on schedule with a Ford dealer and we’ll keep it covered for 7 years, no matter how many kilometres you do.

Service made easier

We have great offerings that make servicing more convenient, like loan cars[2], pick up and drop off[3], Express Service[4] and online booking.

Know what you’ll pay

When you buy a new Ford, you’ll know exactly how much each of your first four general car services will cost.

Roadside assistance[5]

When you purchase a new Ford vehicle, you receive Ford National Roadside assistance for 12 months. You also receive Ford National Roadside assistance for 12 months each time a general service is completed with a participating dealer, until your vehicle reaches 7 years of age.

For more information, visit
ford.com.au/owners/service

Ford Insure

Fit your Ford with insurance made for it.

New Genuine Ford Parts[6]

Look after the integrity of your vehicle, by using only New Genuine Parts, when possible.

Dealer fitted accessories[7]

Accessories which are fitted on your vehicle by a dealership are automatically included.

Automatic off-road cover[8]

Enjoy peace of mind with automatic off-road coverage included.

Removal of excess for glass damage[9]

The Standard Excess under your policy won’t be applied for windscreen, sunroof or window glass only claims.

Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that these fuel consumption and emissions figures will be achieved in real world driving conditions. Actual fuel consumption and emissions will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, options and accessories, condition and use. 4. Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and all standard equipment. Vehicle weights are approximate and subject to individual variances. Vehicles should be weighed before and after adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM), Gross Combined Mass (GCM) and Gross Axle Masses are not exceeded. 5. All payloads are calculated by deducting the vehicle's Kerb Weight from its Gross Vehicle Mass (GVM). Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with all standard equipment. Vehicle weights are approximate and subject to individual variances. Vehicles should be weighed before and after adding additional load, accessories or towing a trailer to ensure the maximum Gross Vehicle Mass (GVM), Gross Combined Mass (GCM) and Gross Axle Masses are not exceeded. 6. Vehicle dimensions are approximate and subject to individual vehicle variances, and should be confirmed before fitting any accessories or otherwise relying on this value. 7. Maximum water wading 800mm maintaining speed of 7km/h or less. Always consult the Owner's Manual before off-road driving, know your terrain and trail difficulty, and use appropriate safety gear. Do not attempt a water crossing if you are unsure of the water depth. 8. 3rd row seats optional at additional cost on Active. 9. Measured laden to roof, using VDA methodology. VDA is the method determined by filling the load space with 'litre' blocks, each measuring 200x100x50mm.

13. Wireless Charging only available with compatible phones. 14. If the Rough Terrain Pack option is selected, the auxiliary switch panel replaces the sunglasses holder in overhead console. 15. Use of Ford app is subject to the Ford app Terms and User Guide and Ford app Privacy Collection Notice, which are available on https://www.ford.com.au/privacy and requires a compatible mobile device, internet access and software (including software updates from time to time). The Ford app functionality and appearance may change over time due to software updates. You are responsible for internet access, mobile network data and voice call services required for your use of the Ford app on your mobile device, including associated fees. The Ford app and the Vehicle's Modem can only work when both are connected to the telecommunications network. The Vehicle's Modem will only function on the telecommunications networks it could use at time of manufacture. When all compatible networks for the modem in your vehicle are no longer available, the modem will stop functioning and the connected services and all data transmission via the modem will cease. Ford cannot guarantee that the Ford app will be in fully operating condition at all times and the Ford app may be unavailable or particular Ford app services interrupted. If the Ford app is unavailable, the ability to lock or unlock your vehicle remotely could be limited, and a physical key might be needed. Always keep your key with you to ensure you can access your vehicle at all times even if the Ford app is unavailable. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. Use Remote Vehicle Start and Stop responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings. 16. Eligible vehicles receive Connected Navigation Services for 1 year from the Ford 7 Year New Vehicle Warranty start date, after which time the Connected Navigation Services may cease to be available, or may be subject to a subscription fee. To use Connected Navigation Services, users must have created a Ford app account (terms apply), have fully activated the vehicle's modem and have SYNC Location set to 'on'. 19. Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all SYNC 4A features are compatible with all phones. For compatibility, see ford.com.au/sync. 20. Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. 21. Drivers will need to create a profile of their trailers in SYNC to support the Trailer Brake Controller and Trailer Connection Alarm. To use the Trailer Brake Controller, drivers must set the gain on the Brake Controller unit. 22. Emergency Assistance feature needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pump shut off.

23. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. 24. Driver- assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. iACC uses various data to adjust the set speed of the vehicle to the speed limit detected by the system. The iACC system will not always detect the correct speed limit and may set a vehicle speed that is above or below the actual speed limit. If the system does this, it can be overridden by the driver applying the brake or accelerator. Customers should read the Owner's Manual for full details of the limitations of the iACC system before activating the system. 25. Intelligent Speed Assist (ISA) uses Speed Sign Recognition to limit the vehicle's speed to the maximum speed limit detected by the Speed Sign Recognition system. The ISA system is subject to limitations. and will not always detect the correct speed limit. This can occur in certain circumstances, including (but not limited to) unreadable speed signs due to obstruction or poor condition, severe weather, or travelling a distance without encountering a speed sign - which may cause the vehicle to be limited above or below the actual speed limit. ISA can be temporarily overridden by the driver firmly pressing the accelerator. 26. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Trailer Coverage system supports conventional trailer dimensions: up to 2.4m wide (measured at trailer front) and up to 10m long from the rear of your vehicle. Drivers will need to create a profile of their trailers in SYNC to support this system. Only works with a genuine factory fit Ford Tow Bar. 27. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. Evasive Steer Assist does not control steering. See Owner's Manual for details and limitations. 28. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Designed for use on rural roads at speeds of 65 – 110km/h. The feature does not detect every edge and does require a level of contrast between the road surface and the edge. 29. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Pre-collision Assist with Automatic Emergency Braking detects pedestrians, but not in all conditions, and can help avoid or reduce a collision. It does not replace safe driving. See Owner's Manual for Limitations. Intersection Assist does not detect all vehicles in intersection, pedestrians or cyclists. It does not replace safe driving. See Owner's Manual for Limitations. 30. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Reverse Brake Assist functions when in reverse and travelling at a speed of 2-12 km/h. Please see the Owner's Manual for precautions and limitations. 31. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Factoryn Options can be ordered before a vehicle is manufactured at additional cost. 32. Drivers are responsible for maintaining the correct legal speed limit at all times and should not rely solely upon the Traffic Sign Recognition system. 33. Maximum towing capacity-braked using a Genuine Ford tow pack. Subject to State and Territory regulations. To comply with these limits, occupants and / or luggage may need to be restricted to not exceed the GCM and GVM limits. For further details regarding passenger and luggage restrictions, please consult your authorised Ford Dealer and / or refer to the Owner's Manual. 34. Drivers will need to create a profile of their trailers in SYNC to support the Trailer Brake Controller and Trailer Connection Alarm. To use the Trailer Brake Controller, drivers must set the gain on the Brake Controller unit. 35. Intended for off-road use only. 36. Drivers will need to create a profile of their trailers in SYNC to support the Trailer Brake Controller and must set the gain on the Brake Controller unit. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle.
